Locomotive #1685 is significant because it served all of its time operating in and around Winnipeg from when it was built and delivered as Midland Railway #2 in March 1957 to October 2008 when it was retired as BNSF #1685. It has been a Winnipeg railway icon for over 50 years.

This locomotive will be preserved in operating condition by the Society as part of its vintage train operations.

The Vintage Locomotive Society Inc. is a non-profit all volunteer organization which operates the Prairie Dog Central Railway which is a vintage tourist operation.
